Dear Pet Owner:

Just a reminder 2010 Pet Licenses are now available.

Please note that Runnemede now requires cats to be licensed.

Please be advised that you have until **March 31, 2010** to purchase your dog/cat license without a late fee being assessed.

The cost for your 2010 license is as follows:

Dogs:

Spayed or Neutered	\$ 22.20
Nonspayed or Nonneutered	\$25.20

All cat licenses will be \$21.00

Please bring proof of rabies and spaying or neutering when obtaining license.

After March 31, 2010, a late fee of \$20.00 will be added to each of the above.

Please note that the rabies vaccine must be good until October, 2010 in order for you to obtain a license. If it expires prior to that date, your dog or cat will have to be revaccinated before a license can be issued. We are not permitted to issue a dog or cat license, by statute, if the rabies vaccination expires prior to October, 2010.

Runnemede, together with the Camden County Health Department, will be hosting a free rabies clinic on Saturday, March 13, 2010, at the Harry Williams Building, Broadway & Black Horse Pike from 10AM to 12 noon.

If you have moved or are moving, please advise this office so that our records can be corrected.

If your pet is deceased, also notify the office so that we can remove the dog or cat from our records.
