RUNNEMEDE CLEAN COMMUNITIES PROGRAM

Group Clean-up Guidelines

1. The group agrees to provide a minimum of ten (10) workers.
2. The group will provide one (1) adult supervisor for every ten (10) workers under the age of 17.
3. Each group participant is expected to work a minimum of two (2) hours.
4. Clean- up must be done within the boundaries of Runnemede.
5. All recyclable material collected becomes the property of Runnemede.
6. All recyclable material (bottles, cans, newspapers, cardboard and tires) must be separated from debris.
7. Payment by Clean Communities program to the group will be $10.00 per person. There is a maximum of $500.00 to any one group per clean-up.
8. Each group is limited to one clean-up per year.
9. The Clean Communities Program will provide bags, gloves, vests, rakes and or shovels as needed.
10. Pick up of litter and recyclables collected at designated locations coordinated by the Clean Communities Program.

•If your group is affiliated with a local school district, please provide the school's W-9. Checks will be mailed to the Activity Director at your school and a check will be issued to your group from those funds.
